

## SEKOLO PROJECTS SMALL GRANTS PROGRAMME 2006 - 2007

Sekolo Projects is introducing a new grants programme for school AIDS Awareness Clubs with the support of HAMU and RACE Co-ordinators.

These small grants are designed to help AIDS Awareness Clubs with small-scale items and activities such as:

- Red Ribbon
- Club T-shirts
- Club trips to VCT centres
- Events with traditional and religious leaders and HIV+ speakers
- Refreshments, certificates and small prizes
